The columns are labeled (left to right) to indicate the availability and order of forms for a Term Graduate student's 1st test attempt, 2nd test attempt, etc.
Divisions are required to provide remediation to students prior to administering a 3rd or 4th attempt in the same subject.

Indicates whether the test is an **Online** or **Paper** test.

Indicates which form number will be administered. If a range of forms is indicated, any form within the range may be administered.

For an **Online** test, the Administration in which the Session must be created is listed.

For certain **Online** tests, the DDOT (or designee) must contact the eSOL Team. The eMeasurement System must be setup to administer that form to the student. The DDOT (or designee) must complete the Term Graduate Additional Attempt Request Form and email it to:
esol@doe.virginia.gov

Not all subjects have four different forms available to administer.

Note:

As a general rule, the online "2A forms" (i.e. 2A07M, 2A87T) are **NOT** previously equated forms. This means no scores will be available for these forms until after equating is completed (late May/early June). Please consult the Online Forms Matrix for details on whether individual forms are previously equated.

A maximum of 48 hours from the time the form is submitted will be needed to complete the system setup. The DDOT (or designee) will be notified by reply email when the test is available for administration to the student.

¹All forms for this attempt have been previously equated unless otherwise noted; therefore, scores are available to an authorized administrator immediately after a student has submitted a test.

²This is the Alternate Form in the administration and must be specifically assigned.

³All forms for this attempt have not been previously equated. Therefore, scores for these forms will not be available until after spring equating is complete.

⁴Because this is a newly introduced test in Spring 2006, only two new forms exist. Actual form number will depend on your division's PEM Algebra I form assignment.
